

DRIVE ARTSpace is an online place for Counties Manukau consumers to share their artwork with others. We are always interested in new contributions, so please don't be shy. You don't need to be a brilliant at art for it to serve an important purpose and for others to enjoy it!

Visual Featured pieces you can submit:

Poetry

Stories and Essays

Paintings and Drawings

Photographs

Guidelines

We are interested in seeing a range of artwork from all consumers.

- Pieces need to be in electronic format.
- If you are submitting a written piece:

-Submit writing in a word processor document- not a pdf

-Please ask someone to proofread the piece first. We will not be proof reading or correcting errors.

- If you are submitting a photograph of art work:

-Take a photo in good natural light

-Save your image as a jpeg, and at the highest resolution you can. Otherwise we may need to display this at a small size.

The DRIVE team reserves the right to make final decisions about which pieces of art are included on the site

Although art can have a role in pushing boundaries in society, the ARTSPACE on this website is interested in pieces that are suitable for a general audience (no pornographic images etc.) If your piece is talking about sensitive issues, we may need to include a "trigger warning" with it.
